**JOINT STATUS REPORT**

Pursuant to the Court’s Minute Entry dated June 30, 2023, the parties hereby submit a joint status report on mediation as ordered by the Court.

Plaintiff has made a settlement demand to Defendant and is awaiting a response. Given the current separation between the parties, and the positions of the parties on the substantive merits of the case, the parties are not greatly hopeful that they will be able to resolve the matter independently before trial.

While the parties believe that the chances of success with mediation are not high, given the settlement posture of the parties and the lack of success of the parties’ prior attempt at mediation, all parties are willing to engage in mediation at the Court’s discretion, and will participate with open minds.
